Ask about this video

This video presents the extended highlights of **Stage 3 of the 2026 Tour de France**, featuring a dramatic race through the French countryside.

Key Highlights of Stage 3:

- **Early Race Dynamics:** The stage began with early aggression and attempts to form a breakaway, which were hampered by a massive crash in the peloton that affected riders like **Bruno Armoray** (2:18-2:29). A breakaway group eventually formed after 50 km, featuring **Matio** and **Magnus Cort Nielsen** (2:42-3:02).
- **The Climbs:** The route included four category climbs and over 3,800 meters of elevation gain, testing the endurance of the field (1:41-1:46). **Alex Baudin** emerged as a notable protagonist, pushing hard during the later stages of the race to secure the King of the Mountains jersey (3:53-5:10).
- **The Finale: UAE Team Emirates** dominated the final kilometers, driving the pace to set up their leaders. **Isaac Del Toro** provided crucial support before **Tadej Pogačar** launched a decisive, explosive attack in the final stretch to claim the stage victory (5:33-6:23).
- **General Classification Impact:** Following his impressive win, **Tadej Pogačar** moved back into the yellow jersey, maintaining a tie with **Jonas Vingegaard** in total time but gaining the lead through his stage results (7:21-7:34).

OPENING REMARKS NG PROSECUTION, DEFENSE SA VP SARA TRIAL

Iginiit ni House lead prosecutor Rep. Gerville Luistro na dapat managot si Vice Pres. Sara Duterte sa ilalim ng umiiral na proseso ng batas at walang sinuman ang dapat maligtas dahil sa posisyon o impluwensiyang politikal.

Bilang tugon, sinabi naman ng lead defense counsel na si Atty. Shiela Sison na ang anumang paglilitis ay dapat nakabatay sa Konstitusyon at umiiral na batas, hindi sa kagustuhan ng mga nasa kapangyarihan.

Bahagi ito ng opening marks ng dalawang panig sa impeachment trial ng bise. #VPSaraOnTrial

1/2
Ang kapangyarihan ay hindi pagmamayari ng sinumang opisyal. Kung ang ordinaryong Pilipino ay pinapanagot, bakit hindi ang pinakamakapangyarihan na opisyal ng pamahalaan?
REP. GERVILLE LUISTRO
House lead prosecutor

2

@Tanausuland • 1d ago

@RealCristobalArenas Saving costs before, neither Nickelodeon nor Nick Jr. used fonts. Especially Nickelodeon since 2017 when Alex was doing the promos and often ran to get to the take. But then with Nickelodeon's rebranding, Nick Jr. also stopped using fonts in their ads, and now they're using them again. It would be better if they used the same fonts but with a separate Nickelodeon graphic style from Nick Jr. The fonts should be the same, rather than eliminating them again and making it difficult for the person dubbing the ads to catch them.

'THE FILIPINO PEOPLE DESERVE FACTS, NOT RUMORS'

Nanawagan si Davao City 1st District Rep. Paolo Duterte para sa patas at walang "unnecessary distractions" na impeachment trial laban kay Vice Pres. Sara Duterte simula ngayong Lunes, July 6.

Binigyang-diin din ng kongresista na nauna nang sinabi ni VP Sara na handa nitong harapin ang mga reklamo laban sa kaniya.

"As the proceedings begin, I ask everyone to allow the Senate impeachment court to do its work and to approach this historic process with an open mind," saad ni Rep. Duterte.

"At the end of the day, political attacks may generate headlines, but only the truth can stand the test of scrutiny," dagdag niya. #VPSaraOnTrial

Palestinian militant-Islamist group Hamas announced on Monday, July 6 that it is dissolving the de facto government of the Gaza Strip.

The move paves the way for a transfer of power to the National Committee for the Administration of Gaza (NCAG), and the implementation of civilian rule.

The technical committee was created six months ago under the Board of Peace established by US President Donald Trump as part of a ceasefire deal between Hamas and Israel.

Hamas, classified by multiple countries as a terrorist organization, has governed the Gaza Strip for nearly 20 years.

The Gaza strip is considered occupied under international law as Israel continued to control air, land and sea borders even after it withdrew its settlements and soldiers in 2005. Since the beginning of the Israeli ground invasion following the October 7 terrorist attacks, Israeli soldiers have been back in Gaza.

'CHOOSING TO APPEAR THROUGH COUNSEL RATH... more

STATEMENT

The opinion of a President in an impeachment proceeding is of no importance. Impeachment proceedings must be guided by the Constitution and due process. The respondent has the right to be represented by counsel, and the decision to personally testify is a matter of legal strategy and constitutional rights.

The burden remains on the prosecution to prove its case. Choosing to appear through counsel rather than testify personally does not diminish accountability or imply a lack of transparency. The integrity of an impeachment trial depends on adherence to the rule of law—not on whether the respondent personally takes the stand.

At all times, public officials are best served by keeping their personal opinions to themselves and relying instead on the law, established policies, scientific evidence, and objective facts when addressing matters of public concern.

"WALANG KAHALAGAHAN ANG OPINYON NG PANGULO"

Binigyang-diin ni Vice President Sara Duterte na walang kahalagahan ang opinyon ng Pangulo pagdating sa isang impeachment proceeding.

Kasunod ito ng pahayag ng Malacañang na mas mainam na personal na humarap si VP Sara sa paglilitis upang sagutin ang mga paratang laban sa kanya.

Giit ni Duterte, karapatan ng isang respondent na katawanin ng kanyang mga abogado at ang desisyon kung personal na tetestigo ay usapin ng legal strategy at constitutional rights.

Dagdag pa niya, nasa panig ng prosekusyon ang pasanin na patunayan ang kanilang kaso, at ang pagpili na humarap sa pamamagitan ng counsel ay hindi nangangahulugang nababawasan ang accountability o kawalan ng transparency.

Another favorite argument ng mga DDS is may "silent martial law" daw ngayon. Akala ko ba in favor ang mga DDS sa martial law. During the term of Rodrigo Duterte, many of them were calling for him to declare the whole country under martial law. They also kept defending Marcos Sr. and his martial law in the 1970s and 1980s. Now that the political alliance between BBM and Sara has evaporated, they are now using "martial law" as a criticism against the current administration.

THE TRUMP EFFECT: The USA just lost to Belgium in the World Cup Round of 16 by a score of 4-1, right after Trump personally called FIFA to clear star striker Balogun to play.

Sports fans are calling it the Trump curse.

He attended the Super Bowl and predicted a Chiefs win, but the Eagles blew them out.

He was there when the Commanders hosted the Lions and lost at home.

He watched from a suite as Miami fell in the College Football National Championship.

He sat in the owner's suite when the Knicks snapped their huge playoff streak in NBA Finals Game 3.

And he attended the Ryder Cup where Europe topped the US team.

Politicians should stop using Alex Eala's achievements for publicity if they have done little or nothing to support Philippine sports.

There are countless young Filipinos with incredible talent and potential, but many never get the opportunity to succeed because of the lack of government support, funding, proper facilities, and long-term development programs.

Now that Alex Eala has achieved international success, many politicians are quick to post about her accomplishments and celebrate her victories. But where was that same level of commitment when athletes needed support the most?

If we truly want the Philippines to become a sports powerhouse, we must invest in our athletes from the beginning—not only celebrate them after they become successful. Supporting talented young athletes should be a national priority.

When our athletes excel on the world stage, they don't just win medals—they bring honor to the Philippines, inspire future generations, strengthen national pride, and raise our country's international reputation.

Real support should come before the success, not after it.

Mga Aral mula sa Ebanghelyo ngayong araw
MATEO 9:32-38 | HULYO 7, 2026
Sa Ebanghelyo ngayon, pinalaya ni Hesus ang isang inaalihan ng demonyo, ipinakikitang walang kapangyarihan ng kasamaan ang higit sa Kanya. Nawa'y palayain din Niya tayo mula sa kasalanan, takot, at anumang humahadlang sa ating paglapit sa Diyos.
Ang kapangyarihan ni Hesus ay laging nakatuon sa pagpapalaya, hindi sa pananakot. Sa Kanya, may pag-asa, kagalingan, at bagong simula.

"This is not a goodbye. It's simply a 'see you later.'"

Belle Mariano looked back on the "whirlwind" of a ride in the last seven years of DonBelle, with her onscreen partner Donny Pangilinan.

Belle described him as her "confidant" and "partner in every sense of the word."

The pair have previously said that their recent movie "Tayo Sa Wakas" will be their final project together for now.

She also thanked their fans, the Bubblies, whom she described are their "family" and "home."

Kung totoong matapang si Sara Duterte, humarap siya sa impeachment trial niya.

Si Noynoy Aquino, wala nang kapangyarihan, wala nang Malacañang, wala nang machinery ng estado, humarap pa rin sa imbestigasyon noong Dengvaxia. Ginawa niya iyon sa panahong nasa height ng kapangyarihan si Rodrigo Duterte, kung kailan sobrang baba ng tingin ng administrasyon at ng troll machinery sa mga Aquino, at kung kailan halos ginawang national sport ang pagdurog sa apelyido nila.

At kahit may mga iniinda na kalauna'y mas naging malinaw sa publiko, humarap pa rin siya. Hindi nagtago sa likod ng fanbase. Hindi ginawang shield ang apelyido. Hindi ginawang teleserye ang accountability. Hindi nagpaandar ng pa-victim monologue habang iniiwasan ang mismong forum kung saan dapat sumagot.

Kaya kung ang tapang ni Sara ay hindi lang pang-rally, pang-camera, pang-microphone, at pang-caption, then face the trial.

Impeachment is not persecution when the Constitution itself provides the process. Due process is not a costume you wear only when convenient. It is a room you enter even when the questions are sharp, and the excuses are finally useless.

2026-07-07 11:52:23

process is not a costume you wear only when convenient. It is a room you enter even when the lights are harsh, the questions are sharp, and the excuses are finally useless.

Ang tunay na matapang, humaharap sa paglilitis.

Ang duwag, ginagawang entablado ang accountability pero iniiwasan ang upuan ng pananagutan.

Iginiit ni lead prosecutor at Batangas Rep. Gerville Luistro na mahalaga ang impeachment trial ni Vice President Sara Duterte upang magsilbing halimbawa ng pananagutan.

Ngunit para kay lead defense counsel Sheila Sison, layunin lamang umano ng paglilitis na siraan ang mga nagawa ng Bise Presidente sa kanyang mandato.

Nung July 10, 2020 pinaka malungkot na araw para sa lahat ng kapamilya dahil tuloyan ng ipinagkaitan ng kongreso ng prankisa ang Abs-cbn.. Napakahirap nung mga panahong yun dahil nasa gitna tayo ng pandemya saan mag ta trabaho ang mga tao, masakit dahil hindi man lng nila mayakap ang mga katrabaho na nakasama nila ng mahabang panahon. Ang pinakama saklap may mga tumawa at lahat yun, sigurado ako natulongan o di kaya napasaya ng ABS-CBN Taon man ang lumipas hindi basta humilom ang sugat. Napaka unfair..

Noon sabi ko sana wala ng July at August kasi ito ang mga buwan ng pamamaalam ng mga kapamilya employees, programs at talents.

Pero after 6 years, salamat at may July dahil dalawa sa nanggipit sa ABS-CBN ay sabay na nakulong sa kasong plunder. Mabagal lng pero dumating ang karma at ang pinaka bongga walang pyansa. Noong nakaraabg buwan, may magandang balitang natanggap ang mga kapamilya employees magaganap ito next week, mapupuno na naman ang kanilang mga puso at bulsa. Salamat po, Napakabuti ng mga Lopez sa mga tao nila..

Kaya maniwaĺa tayo may good karma pag
rma pag masama ka.

He was only 11 years old. That single fact changed everything.

The tragedy in Mukdahan, Thailand, where an 11-year-old boy drove a pickup truck into a group of monks walking for their morning alms, has left many people asking the same question: why won't the child face criminal charges?

According to Thai prosecutor and legal expert Dr. Thanakrit Worathanatchakul, the answer lies in Thailand's Criminal Code. Under Section 73, children aged 12 and under cannot be criminally punished, meaning the case will not go through the country's Juvenile and Family Court or follow the usual criminal process.

Instead of being formally charged, fingerprinted, or brought before a judge, the child must be turned over to welfare authorities within 24 hours under Thailand's Child Protection Act of 2003. Officials will evaluate the child's family environment, upbringing, and overall well-being before creating a rehabilitation plan that focuses on the child's welfare while also considering support and remedies for the victims. Police will still investigate what happened, but prosecutors are expected to formally end the criminal proceedings because the law does not allow punishment for a child of that age.

2026-07-07 11:55:11

Dr. Thanakrit noted that this differs from the 2023 Siam Paragon shooting, where the suspect was 14 years old. Although Thai law also limits criminal punishment for children between 13 and 14 under certain circumstances, those cases still go through the Juvenile and Family Court with formal legal procedures.

The explanation has helped clarify why the case is being handled differently, but it has done little to ease the grief surrounding the Mukdahan tragedy. It also raises a difficult question that many countries continue to debate: when a child causes unimaginable harm, where should the law draw the line between accountability and protection?

23-ANYOS NA INA SA AKLAN, SINILBIHAN NG WARRANT OF ARREST MATAPOS UMANONG MABIKTIMA NG IDENTITY THEFT

Mangiyak-ngiyak at humihingi ng tulong ng 23-anyos na si Kyla Zonio, residente ng Bakhaw Norte, Kalibo, matapos itong isyuhan ng warrant of arrest na mula sa Malaybalay City, Bukidnon.

Sa pahayag ng biktima, nagsimula ang trahedya nang ibigay ni Zonio ang detalye ng kanyang National ID online para umano sa pag-verify ng online wallet account kapalit ng ₱200. Pinatulan niya umano ito para lamang may maibili ng gatas ang kanyang anak.

Hindi niya lubos akalain na gagamitin pala ng scammer ang kanyang impormasyon para mag-loan sa isang bangko at posibleng iba pang panloloko.

Dahil nakapangalan sa kanya ang ginamit na account, pormal na nagbaba ng arrest warrant ang Tenth Judicial Region, Branch 46 ng Bukidnon.

Inirekomenda ng korte ang piyansang ₱84,000 para sa kanyang pansamantalang Kalayaan, halagang labis na pinoproblema ngayon ng naghihikahos na ina.

Umapela naman ito ng tulong sa kung sino man ang maaring makapagbigay sa kanya ng assistance sa hinaharap na kaso.

✍Rio Trayco

Ang bahaging ito ay hatid sa inyo ng:
D3BIO, DTX500, MIGHTY CEE, DTX COFFEE MIX

👉Mabibili sa Clinica De Alternativo Medicina and Wellness Center sa Refindor's Building Osmeña Ave., Kalibo, Aklan.

Inirekomenda ng korte ang piyansang ₱84,000 para sa kanyang pansamantalang Kalayaan, halagang labis na pinoproblema ngayon ng naghihikahos na ina.

Umapela naman ito ng tulong sa kung sino man ang maaring makapagbigay sa kanya ng assistance sa hinaharap na kaso.

DEFENSE OVERRULED

Also presented as exhibit is the screenshot of the acknowledgment email of Meta.

The defense objects to its introduction and identification, however, saying it is not a certified true copy. Presiding Officer Francis Escudero overruled the defense's objection.

Escudero also overruled the defense's objection about the capability of Calilung to answer questions about Meta processes in relation to his preservation request on Vice President Sara Duterte's video of alleged grave threats against the president, first lady, and former speaker. #VPOnTrial (Screenshot: Senate of the Philippines/ YouTube) | via Victoria Tulad, ABS-CBN News

NOT A CERTIFIED TRUE COPY?

Nag-object ang Defense sa iprinesenta ng Prosecution na screenshot ng request sa Meta para ipa-preserve ang video ni Vice Pres. Sara Duterte noong November 2024.

Ayon sa Defense, hindi umano ito original o certified true copy.

Bahagi ito ng ebidensya ni Calilung sa ilalim ng impeachment article ng umano'y "grave threats" ng bise.

Na-overrule ito ni Presiding Officer Chiz Escudero.

MOTION OF DEFENSE DENIED

Presiding officer Chiz Escudero denied the motion of defense counsel Atty. Carlo Joaquin Narvasa to exclude National Bureau of Investigation (NBI) senior agent John Mark Calilung as a prosecution witness for not being listed in the Saballa complaint and not being included in the transmitted articles of impeachment against Vice President Sara Duterte.

Escudero cited Enrile vs. Sandiganbayan, stating that the prosecution may add or rely on evidence during pre-trial even if not included in the complaint or articles.

THEY SPENT A LIFETIME CHEERING TOGETHER... UNTIL SHE HAD TO CHEER ALONE 🥹

For decades, Mümtaz and İhsan Özçelik never missed the chance to cheer for their beloved Fenerbahçe in Istanbul, Turkey. Match after match, season after season, those stadium seats became part of their love story...

Then life quietly changed.

As Mümtaz's health declined around 2014–2015, television cameras began capturing something fans would never forget.

While thousands watched the game, İhsan gently leaned over to describe every pass, every goal, every moment so her husband wouldn't miss a thing...

And that's when people realized what true love looked like.

When Mümtaz passed away in 2016, İhsan kept returning to the very same seats—this time, alone. And the photos broke hearts across the world...

But the story didn't end there.

After İhsan passed away in 2020 at the age of 90, Fenerbahçe honored the couple by placing cardboard cutouts of them back in their usual seats, as if they were still watching every match together. 😭

Because sometimes, the greatest love stories aren't remembered for how they began... but for how they never truly leave our hearts. 🧡

Para kay private prosecutor Atty. Amando Ligutan, hindi normal ang banta ni VP Sara Duterte na mayroon na siyang kinontrata na papatay kay Pangulong Ferdinand Marcos Jr, First Lady Liza Araneta Marcos at dating Speaker Martin Romualdez kung mayroong mangyari sa kanya.

Aniya, ito ang unang pagkakataon na may isang bise-president

This video features a tense session of an **impeachment trial** (July 7, 2026), where legal proceedings were frequently disrupted by constant objections from **Atty. Carlo Joaquin Narvasa**, counsel for Vice President **Sara Duterte**, directed at **Atty. Virgilio Ligutan**, counsel for the prosecution.

Key Highlights of the Proceedings:

- **Contentious Questioning (0:01 - 3:42): Atty. Ligutan** attempted to question an **NBI** witness regarding an alleged video where the Vice President supposedly made threats against President **Bongbong Marcos**, First Lady **Liza Araneta-Marcos**, and former Speaker **Martin Romualdez**. **Atty. Narvasa** repeatedly objected, citing that the questions were "leading" or "vague."
- **Presiding Officer Intervention (4:41 - 6:56):** Senate impeachment court presiding officer **Sen. Chiz Escudero** (erroneously addressed as **Senator Alan Cayetano** at one point) had to intervene multiple times. He urged the prosecution to properly "lay the basis" for their questions rather than relying on potentially leading inquiries, emphasizing the need to follow court rules to ensure the process remained orderly.
- **Video Evidence Presentation (11:18 - 15:13):** After the witness was allowed to consult their notes, they identified a specific portion of the video—lasting 2 minutes and 18 seconds—from a November 23, 2024, online media conference. This clip was

This clip was subsequently played in court as evidence of the alleged threats.
- **Open-Source Investigation (15:50 - 17:24):** Following the authentication of the video, the witness testified that their team conducted an open-source investigation to find similar statements made by the Vice President, identifying another potentially relevant press conference held on October 18, 2024.

This video captures proceedings from an impeachment trial session featuring **Senator Judge Chiz Escudero**, **Senator Judge Alan Cayetano**, and defense counsel **Carlo Joaquin Narvasa**. The discussion centers on procedural arguments regarding the presentation of evidence, specifically a video recording.

Key moments and highlights:

- **Procedural Dispute:** The session addresses whether the defense can move for the reconsideration of a ruling made by the presiding officer. **Senator Chiz Escudero** clarifies that legal counsel cannot move for reconsideration of the chair's ruling; only a senator-judge may do so (0:30-0:36, 8:52-8:57).
- **Debate over Evidence:** A significant portion of the video (3:17-8:22) involves **Senator Alan Cayetano** and the defense discussing the necessity of viewing the entire 2-hour and 26-minute video versus relying on shorter clips. The defense confirms their intention to present the full recording during cross-examination (6:47-6:53).
- **Witness Testimony:** The witness, **John Mark**, is questioned regarding the authentication of the subject video, which he states was processed using **Open Broadcaster Software (OBS)** (0:57-1:15). He is also questioned about his investigation into statements allegedly made by the Vice President regarding threats against the President, the First Lady, and the former

Naging mainit ang pagbubukas ng impeachment trial ni Vice President Sara Duterte matapos ang debate sa Senado kung dapat bang bumoto ang mga senador ng presiding officer maliban sa Senate President. Dagdag pa rito ang naging palitan ng argumento ng prosecution at defense tungkol sa usapin ng arraignment.

Panoorin ang recap ng mga nangyari sa unang araw ng impeachment trial ni Vice President Duterte.

'NONE OF THESE STATEMENTS ARE PROOF THAT THE VP ACTUALLY CONTRACTED AN ASSASSIN'

Senator-judge Risa Hontiveros challenged the prosecution regarding the videos presented to the impeachment court on Tuesday.

She argued that the statements captured in the footage do not constitute proof that Vice President Sara Duterte actually contracted an assassin to kill the President, the First Lady, and the former House Speaker.

"None of these statements are proof that the Vice President actually contracted an assassin or hired one. Why are these acts impeachable?" she asked during the second day of the impeachment proceedings on Tuesday.

Atty. Amando Ligutan responded to the senator-judge by clarifying that the videos were presented to establish Vice President Duterte's clear intent to harm the President.

"Hindi po 'yan nag-iisang statement ng Vice President. Kung hindi, 'yun po ang culmination sa mga series ng statements ng Vice President kung saan sinasabi niya talagang gusto niyang patayin 'yung Presidente, First Lady, at former speaker of the House," he said.

‘WE DON’T KNOW WHAT THE CONTENTS OF THAT VIDEO’

Atty. Carlo Narvasa of the defense team insisted that the more than two-hour video from the November 2024 online press conference of Vice President Sara Duterte should be presented in full at the Senate.

“Precisely why we’re asking to watch the video because we don’t know what the contents of that video is. We don’t know if it’s any different or the same with our video,” he said.

The prosecution wanted to present portions of the video to tackle the grave threats allegation against Duterte.

“We will asking the entire two-hour-and-26-minute video to be presented and watched later on during our cross,” Narvasa added. (Screenshots/Senate)

TOTOONG DRAMA... SA SENADO 🤦‍♀️

#TVPatrolThrowback: Pinapanood mo ba ang impeachment ni Vice President Sara Duterte ngayon? Noong impeachment trial ni Joseph "Erap" Estrada noong 2000 & 2001, ito lang kasi ang palabas sa halos lahat ng istasyon ng TV.

Kaya mula sa mga teleserye, napasubaybay ang maraming Pilipino sa narrative at plot twist ng pulitika.

Pero may lumusot pa ring palabas! Balikan ang makwelang panayam ni Marc Logan tungkol sa "impeachment, impeachment, impeachment!" noong Dec. 7, 2000.

Maaari niyo namang mapanood at balikan ang live coverage ng Impeachment Trial ni Vice President Sara Duterte sa abs-cbn.com at sa iba pang ABS-CBN news platforms.

The Odyssey trailer is drawing inevitable comparisons to Troy. ⚔️

When Troy hit theaters in 2004, Brad Pitt's Achilles became one of the most iconic portrayals in Greek mythology, with unforgettable performances from Eric Bana and Diane Kruger. Now, The Odyssey is bringing Homer's legendary tale back to the big screen with a fresh cast and a new cinematic vision.

While both films are rooted in Greek mythology, they tell different stories. Troy focuses on the Trojan War, while The Odyssey follows Odysseus' perilous journey home after the war. Still, fans can't help but compare their visuals, scale, and epic storytelling.

Which movie are you more excited to revisit or watch? Troy or The Odyssey?

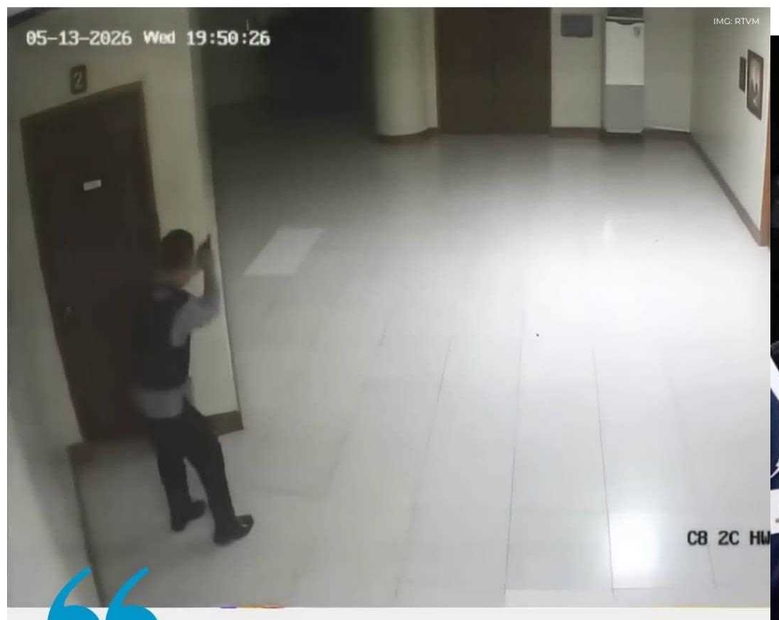
OMBUDSMAN FOUND NO DANGER TO APLASCA, OSAA STAFF DURING SENATE SHOOTING NIGHT

In its decision to dismiss former Senate sergeant-at-arms Mao Aplasca over the Senate shooting incident on May 13, the Office of the Ombudsman said that the NBI agents posed no danger to Aplasca, contrary to his claim which he cited as the reason to fire his gun.

It added that Aplasca's act caused "panic and disturbance," endangered the lives of journalists, and caused emotional distress in some lawmakers.



There is no actual, sudden, unexpected or imminent danger to Aplasca and the OSAA. **If there was aggression, it was Aplasca who started the same.**

‘NO JOKE’

A two-minute and 18-second portion of the video from Vice President Sara Duterte’s online media briefing from 2024 was presented on the second day of the impeachment trial to tackle the grave threats allegation against her.

In the video, Duterte was seen saying, “‘Wag ka mag-aalala Ma’am sa security ko. Kasi may kinausaup na akong tao, sinabi ko sa kanya kapag pinatay ako, patayin mo si BBM, si Liza Araneta, at si Martin Romualdez. No joke, no joke.” (Screenshots/Senate)

Hamas will dissolve its emergency government in Gaza, so it can hand control of the strip to a US-backed Palestinian committee.

Hamas officials announced the resignation of senior members of the government, adding that some "technical and professional personnel" would remain.

The next phases of the ceasefire are uncertain, after negotiations between Israel and Hamas stalled, with each side accusing the other of breaching the deal.

'THAT WAS LIKE A CLOSING STATEMENT'

Nagmosyon si Sen. Pia Cayetano na tanggalin sa records ang mga tanong ni Sen. Risa Hontiveros kay Prosecution counsel Amando Ligutan sa fourth impeachment article tungkol sa umano'y grave threats ni Vice Pres. Sara Duterte.

Para kay Cayetano, tila closing statement na ang mga sagot ng prosecution kay Hontiveros.

"When we allow this happen, na-shortcut na natin 'yung process... Even I make a mistake... Please call me out if I make a mistake and ask the kind of question that should not be asked properly by a judge," sabi ni Cayetano.

"My question had to do with how the evidence is material to the allegations in the articles of impeachment... I wanted to appreciate the evidence before me," paglilinaw ni Hontiveros.

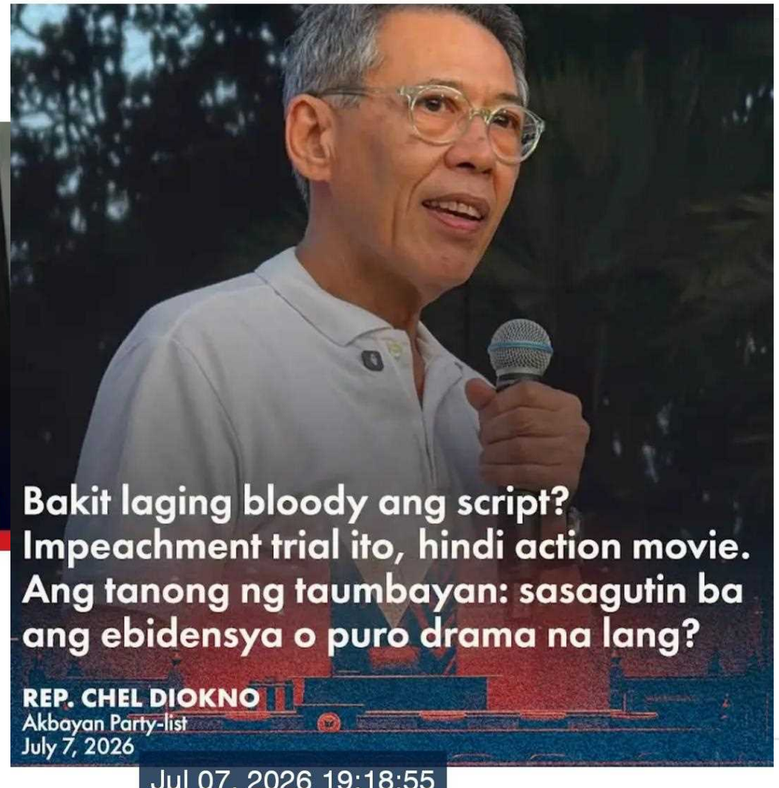
PURO DRAMA LANG?

Bumwelta si Akbayan Party-list Rep. at House prosecutor Chel Diokno sa pahayag ni Vice Pres. Sara Duterte kung saan muli nitong tinawag na "bloodbath" ang kanyang impeachment trial.

Dumating si VP Sara sa Senado para sa meeting ng defense team pero hindi ito haharap sa kanyang trial ngayong Martes, July 7.



Bakit laging bloody ang script?
Impeachment trial ito, hindi action movie.
Ang tanong ng taumbayan: sasagutin ba
ang ebidensya o puro drama na lang?

‘BLOODIED BUT UNBOWED’

Vice President Sara Duterte arrives at the Senate in Pasay City on Tuesday to meet with members of her defense team ahead of the continuation of her impeachment trial.

“In this bloodbath and bludgeoning, I will be bloodied but unbowed,” she said in a brief message.

Her camp confirmed that she will not be attending the scheduled trial later. (Photos by Ryan Baldemor/The Philippine STAR)

CAYETANO VS. HONTIVEROS

Nagmosyon si Sen. Pia Cayetano na tanggalin sa records ang mga sagot ng Prosecution sa mga tanong ni Sen. Risa Hontiveros kaugnay ng impeachment article ng “grave threats” ni Vice Pres. Sara Duterte.

Puna ni Sen. Pia, tila closing statement na ang pahayag ng Prosecution nang kuwestiyunin ni Sen. Risa kung maituturing impeachable offense ang mga aksyon ng bise.

Nilinaw naman ni Hontiveros na nais lamang niyang malinawan kung paano gagamitin ang mga iprinesentang ebidensya upang mapatunayan ang alegasyon laban kay VP Sara.

Nagpasya si Presiding Officer Chiz Escudero na i-table o ipagpaliban muna ang pagdedesisyon sa mosyon.
